

Antwone,

It was a pleasure having you as the speaker for the 23rd annual ASC luncheon benefiting Wednesday's Child in early June. We continue to hear wonderful things about your remarks, and I'm ecstatic to report that we raised almost \$225,000 for Wednesday's Child, including over \$25,000 the day of the luncheon in large part to you! If you'll recall, we sold out of books the day of the luncheon – another first for us! – and you kindly offered to send me autographed nameplates for any additional books ordered. Well, we have had requests for another 50 books, and I would like to take you up on your offer.

While we did not offer personalization for the autographs, there was one request from our luncheon co-chair that I'd like to fulfill if at all possible. She ordered five books for Angela, June, Carol, Holly and Cheryl.

Feel free to send them directly to me at the address below and let me know if you have any questions. Once again, thank you so much for your help and support!

Warm regards,
Telisa Schelin
